Personal Information

Full Name	Prof.. Dr. THAMIR ABDULAMEER HASAN AL-NAJAFI
Date & Place of Birth	Baghdad – Al-Kadhimiya 1965
Marital Status	Married
No. of Children	Two sons & one daughter
Major	Physics
Discipline	Materials – Nanotechnology
E-mail	thamir_h@yahoo.com thamiralkadimy2014@gmail.com president@kus.edu.iq

Degrees

Degree	University Granted the Degree	Department / College	Year
PhD.	University of Baghdad	Sciences / Physics	2013
M.Sc.	University of Baghdad	Sciences / Physics	1995
Bachelor	University of Baghdad	Sciences / Physics	1987

Occupations

Job Title	Place of Work	Year
Official: President of Al-Karkh University of Science	Ministry of Higher Education and Scientific Research	2014-
Faculty Member		
1- Professor	1- Al-Karkh University of Science/ President of the university	26/5/2019
2- Assistant Professor	2- Department of Physics – College of Science/ University of Baghdad.	20/10/2014
3- Instructor	3- Department of Physics – College of Science/ University of Baghdad.	22/2/2008
4- Assistant Instructor	4- Department of Physics – College of Science/ University of Baghdad.	1995
5- Assistant Scientific Researcher	5- Department of Physics – College of Science/ University of Baghdad.	1990-1995
6- Assistant Scientific Researcher	6- Technical Affairs Department/ Ministry of Education.	1988-1990

Materials Taught

Subject	Major	Stage	Academic Year
Advance nanotechnology	Physics	PhD	2021-2022
Advance nanotechnology	Physics	PhD	2019-2020
Advance nanotechnology	Laser and Electrophoresis	PhD	2018-2019
Advance nanotechnology	Physics	PhD	2017-2018
Advance nanotechnology	Physics	PhD	2021-2022

Advance nanotechnology	Physics	PhD	2019-2020
Analogue Electronics	Physics	Second	2013 – 2014
Virtual laboratory	Physics	Third	2013 – 2014
Digital Electronics	Physics	Second	2012 – 2013
Analogue Electronics	Physics	Second	2012 – 2013
General Physics for non-Physicians	Surveying Engineering	First	2008 – 2013
Digital Electronics Laboratory	Physics	Third	2005 – 2009
Analogue Electronics Laboratory	Physics	Second	2005 – 2009
Electronics Laboratory	Physics	Third	1995 – 1996
Test & Measurement laboratory	Physics	Second	1995 – 1997
Theoretical Measurements	Physics	Second	1995 – 1997
Solid state Laboratory	Physics	Fourth	1990 – 1992
Numerical Analysis Laboratory (Programming)	Physics	Third	1991 – 1992
General Physics laboratory	/	First	1991 – 1992
Electronics laboratory	Physics	Third	1991 – 1992

Activities and Academic Achievements

Activities

Participation in the success of the exhibition of scientific innovations at Ministry of Youth and Sports on 31/1/2022.

Participation as a chief guest of honor in the activities of the 9th International Scientific Forum in Trabzon - Turkey on November 16, 2021.

Participation in the scientific lecture/ I want platform the way for the Arab researcher to scientific communication and knowledge enrichment on 12/2/2021

Participation in the opening week of German-Iraqi Management Training Academy which includes the workshop of Senior leadership Training 9-13/7/2019.

Participation in the seminar of sustainable development of potential Iraqi geological parks (Sawa lake Marshes) held at University of Baghdad/ Geology Department on 14/4/2019.

Attending the launching ceremony of the report of 2nd annual conference on (Education for Sustainable Development) 23/3/2019.

Certificate of attending the Association of Material Sciences and Nanotechnology meeting held on 11-13/3/2019 at Sofitel-Cairo-Elgezirah-hotel.

Participation in the workshop (Intellectual Property and Cooperation in the Field of Patents Treaty) 28/8/2019.

Attending the opening ceremony of the 2nd International Conference on Pure and Applied Mathematics (Mathematics is the Gate of Life and a Bridge Combines Sciences)/ College of Science/ University of Baghdad 27/2/2019.

Attending the Conference and Exhibition of Innovation 2019 held from 25-26/2/2019 under the patronage of Ministry of Construction and Housing, Central Department of Standardization and Quality Control and Iraqi Forum of Inventors.

Attending the 4th International Conference (Fighting the Media and Ideology of ISIS) held in Baghdad/ the Grand Square of Celebrations/ AL Mansoor Compound 20-21/2/2019.

Certificate of attending the 1st International Conference on Pure Sciences/ College of Education/University of Qadisiyah 23-24/1/2019.

The symposium entitled (Using Free Google Drive Applications in Academic Work) held at Martyrs' Hall on Thursday 27/12/2018.

Travelling to attend the symposium commemorating the 50th anniversary of the death of nuclear physicist (Prof. Dr. Mohammed Kashif Al-Ghita) on 20/12/2018.

Dispatch to the Republic of Tunisia for the period (26-30/11/2018) to participate in the 12th International Scientific Conference of GIS Applications, Remote Sensing and Geospatial Technology.

Participation in the 12th International Scientific Conference of GIS Applications, Remote Sensing and Geospatial Technology in solving the development problems economically, environmentally, socially and security- GeoTunis 2018 held at YasameenAlhamamat/ Tunis 26-30/11/2018.

The 1st International Conference of Al-Karkh University of Science entitled (New Applications of Remote Sensing and Geophysics Techniques in Oil Exploration) 14-15/11/2018.

Attending the solidarity festival with Yemeni People to resist evil and betrayal powers/ Islamic Resistance- Lord of Martyrs Battalions 26/8/2018.

The 1st Annual Scientific symposium of Medical Physics (Medical Physics .. Advanced Technology and Techniques in serving health Associations) College of Science/ Al-Karkh University of Science 9/5/2018.

An Invitation to attend the seminar (Current and Future Challenges in the Management of Oil and Water Sectors in Iraq) held at University of Baghdad/ College of Science 7/5/2019.

The 2nd Annual Scientific symposium of Remote Sensing entitled (Applications of Remote Sensing and GIS in Marine Areas and Digital Maps in Iraq) 26/4/2018 at Al-Karkh University of Science.

Participation in Patents Exhibition at College of Agriculture/University of Baghdad as president of the scientific committee of pure sciences patents 4-5/4/2018.

Certificate of Participation in the 10th International Invention Fair in the Middle

East / Kuwait 28 -31/1/2018.

President of the Iraqi Forum of Inventors.

Certificate of Creativity and Excellence from Gathering of makers and Leaders/The Dream

Attending a meeting of presidents of Iraqi universities for the purpose of scientific communication with the Union of scientific universities which held in Erbil for the period 9-12/8/2017 hosted by of Salahaddin University/ Erbil.

Commendation of His Excellency the Minister for scientific excellence due to obtaining the highest view rate for the published research which was calculated by the Research Gate site 7/8/2017.

A specialized scientific symposium on Geophysics Applications in the Exploration of Natural Resources held at Martyrs' Hall/ Al-Karkh University of Science 16/5/2017.

The 1st Annual Scientific symposium of Remote Sensing entitled (Applications of Remote Sensing and GIS in Marine Areas and Digital Maps in Iraq).

Chairman of the 1st International Scientific Conference of Nanotechnology and Advanced Materials in the Petroleum and Gas Industry 3-4 May 2017/Baghdad-Iraq.

Certificate of participation in the first conference and exhibition of inventions in the holy city of Karbala / Sheikh Al-Kulaini league.

Participation in Council of National Security Agents held on Monday 6/2/2017.

Participation in patents exhibition held in Egypt 1-3/3/2017.

Visiting College of Geosciences at University of Bonn according to the ministerial order (4105 dated 24/11/2016).

Attending the meeting of Executive Committee of IFIA in Germany according to the ministerial order (3496 dated 17/10/2016).

Notespeaker at Sensor in Nuclear Technology held in Malaysia 8/8/2016.

International evaluator and member of editorial board of the International magazines specialized in Nanotechnology in medical field 5/5/2016 (1) International Journal of Applied Physics of Mathematics (IJAPM) (2) Journal of Clean Energy Technologies (JOCET).

Attending Al-Farabi Society's first academic symposium in spreading the culture of e-learning and developing education in Iraq 18/10/2015.

A certificate of Passing the preparatory training program for preparing political analysts at the college of Economics and Political Science Cairo University during May 2012.

A certificate of appreciation for the efforts exerted for making the training program, (Arbitration in civil and commercial disputes for preparing international arbitration consultants) a success during May 2012.

Certificate of passing the preparatory and specialized courses in international arbitration during February 2012.

Certificate of participation for supervision in the course of preparation and submission of programs from the Center of Development and Continuous Education.

Advisor of the Arab Union for Intellectual Property Rights Protection/ Arab Economic Unity Council / League of Arab States 2012. And obtained a certificate of appreciation.

Certificate of passing the scientific program (Spreading the culture of commercial arbitration internationally regarding conflict resolution).

Member of the Advisory Board of Diyala Journal of Pure Sciences.

Advisor and member of the editorial board of "Digla" quarterly magazine.

Consultant of Petrochemical Researches Center in the Industrial Research and Development Authority / Ministry of Industry.

Member of American Society of Mechanical Engineering ASME/ 2000.

Supervising the workshop of physics department/ College of Science/ University of Baghdad 1992-1996.

Participation in the campaign of College of Science for devices' maintenance/ Faculty of Science/ University of Baghdad 1996.

Preparing and presenting programs of "The world of technology"/ Iraq TV / 1992-1997.

Rapporteur of Electronic Maintenance Course/ Continuous Education Course/ College of Science/ University of Baghdad 1993.

Member of Physics and Mathematics' Society since 1987.

Founding member of Computer Club/ Science Club/ Baghdad Al-Karkh/ 1986.

Founding member of Aircrafts Model Club/ Science Club/ Baghdad Al-Karkh/1983.

Books Published

Book Address

1-"Nanocomposite Fabrication Of PANI-CNTs Nanofiber For Chemical Sensing"(2015)which is published Germany's Lambert House

2- Nanostructures Zinc Oxide (ZnO) Synthesis with Hydrothermal Method(2016).
which is published Germany's Lambert House

Published Researches

Dissertations and Thesis

Dissertation: "Fabrication of PANI-CNIS Nano Fiber for Chemical Sending, June 2013

Thesis: Study of Mechanical Properties of (SUS20,SUS304, SUS410) Stainless Steel treated by Nd-Glass Laser, (January 1995).

Published Researches

Synthesis of TiO_2 Thin films nanopartical with different layers using simple Sol-Gel method

Characterisation and Evaluation the effects of GeO_2 and SiO_2 doped TiO_2 thin films

The Preparing of polyaniline –silver composites by oxidation in comparison with polyaniline – carbon nanotube composites prepared by electro- oxidation for hydrogen sensors

Growth of different zing nanostructures for hydrogen gas sensing

A New Piezo -Amperometric Sensing Method Based on Comb-like Nanostructured Zinc Oxide Thin Films For the Efficient Detection Of Na_2SO_4 .

Development of diamond composite electrode for anodic oxidation of organic pollutants

Development of Nanosensors in Nuclear technology

Simple Hydrothermal synthesis of the ZnO hexagonal nanotubes

Hydrothermal growth of nanostructured Zinc oxide

Development of Nanosensors in Nuclear Waste Water

Nano Rods And Flowers Like synthesis by hydrothermal growth method without catalysts

Enhancement of gas response of annealed ZnO film for hydrogen gas detection

Fabrication carbon nanopowder by arc discharge technique

Study of absorption laser techniques method to monitoring the pollutants in atmosphere

Technical paper for presentation at the wreec2006 tripoli-liby

Polyaniline-silver composites preped by oxidation compared with polyaniline carbon nanotube composites prepared by electrooxidation for hydrogen sensor

Comparison Between Beta and Gamma Irradiation on Optical Energy Gap of Crystal Violet Doped Polystyrene Films

Fabrication of PANI by Electro polymerization Method on SnO_2 Conductive Glass

as Counter Electrode for Dye sensitive Solar Cell

Fabrication of Polyaniline –Carbon nanofibers for Hydrochloric acid and Ammonia sensing at room temperature

Current-Voltage Of Polyaniline Nanofibers And Polyaniline /MWNTs Nanofibers Fabricated By Electrochemical Polymerization

Study of laser monitoring techniques of pollutants in atmosphere

Surface hardening topography of SUS410 stainless steel treated by Nd Glass laser .

Surface treatment of (SUS201, SUS304, SUS410)stainless steel using Nd –glass laser.

Surface Roughness of Stainless Steel treated with Ndmium Laser - Glass" Proceedings of the First Scientific Conference of College of Science/University of Baghdad.

Changing Micro-hardness of Laser Treated Stainless Steel" Ministry of Higher Education and Scientific Research / Plasma and Laser Research Center / Proceedings of the First Seminar for Plasma and Laser Research Baghdad 1994.

Committees and Assignments

Committee/ Type of Order	Assignment	Order no.	Year
Member of the committee to discuss the doctoral student's thesis (Ali Abdullah Fayyad), Wasit University / College of Science.	Administrative Order	2003	24/5/2022
Chairman of the Supreme Committee of the Fifth International Conference of Al-Sayida Al-Zahra, (peace be upon her).	-	-	9/3/2022
Chairman of the committee to follow up work in dormitories periodically	university order	35	2/3/2022
Chairman of the Central Objections Committee at our university (Scientific Promotions)	university order	79	
Chairman of the Committee for the Execution of Projects Mechanism in accordance with Cabinet Resolution No. 340 of 2016 from the amounts of higher education funds	university order	52	22/2/2022
Chairman of a higher committee to develop the strategic plan for our	university order	161	9/8/2020
Chairman of a committee to consider the objections submitted regarding the evaluation of performance of the heads of	university order	138	24/6/2020

departments and the dean's assistants			
Chairman of the Joint Coordinating Committee with the Ministry of Transport for the Great FAO Project	university order	123	18/5/2020
Member of the Committee of the Evaluation of the E-Learning Experience in Iraqi Universities	university order	89	29/4/2020
Member of the Committee to Review the Regulations, Methods and Standards of Academic Promotions	Ministerial order	Qaaf/jeem/ 1/278	26/4/2020
A member of a committee that undertakes to develop a treatment for scientific and laboratory lessons and how to perform them in the event that universities continue to be disrupted in accordance with the decisions of the National Safety Committee and the Supreme Crisis Committee due to the Corona crisis	Ministerial order	Qaaf/Jeem/ 1/284	26/4/2020
Head of a committee for the purpose of placing their administrative and scientific capabilities at the disposal of the Baghdad Health Directorate, Al-Karkh, whose tasks are to support the crisis formed for the purpose of limiting the outbreak of new Corona virus.	University order	81	22/3/2020
Chairman of a higher committee under our supervision to prepare a book chronicling the outbreak	University order	78	17/3/2020

of this virus from its beginning in China until the end of the crisis/			
Member of the committee that undertakes the promotion of work and support of the newly-established universities activities in MOHER and overcome the difficulties they face.	Ministerial	3782	27/11/2019
Chairman of the committee to discuss the thesis of the doctoral student (Nada Ismail Ibrahim) Baghdad University/ College of Science	Administrative	Aain/4120	26/11/2019
Chairman of the committee to discuss the thesis of the master's student (TibaYahyaJasim) University of Technology / Department of Materials Engineering	Administrative	3382	25/11/2019
Chairman of the committee to discuss the thesis of the doctoral student (WisamMahmood Mohammed) Dayala University/ College of Science	Administrative	3939	19/11/2019
Chairman of the special session at the DeSE2019 conference, which was held in Russia - Kazan for the period 7-10 / 10/2019.	University	U/O/ 291	1/10/2019
Member of the Committee to discuss the Doctoral Student (Ali Adel Abbas)	Administrative	Aain/2429	
Chairman of the Scientific Committee of the 3 rd International Conference on Geographic Information Systems and Geospatial	-	-	15-16/6/2019

Technologies held at Al- Nahrain Center for Strategic Studies			
Chairman of the scientific committee specialized in arbitration (The 2 nd Conference and Exhibition of Inventions 2) 20-22/3/2019.	Administrative	1	16/3/2019
Chairman of the Committee of electronic government plan (program of unifying of formation).	University	248	7/10/2018
Member of the Committee that discusses the doctoral dissertation of student (Hani Mahmood Hussain).	Administrative	2239	2/8/2018
Chairman of the Committee that studies research in accordance with the letter of directorate of studies, planning and follow-up no. taa meem3/4860 on 4/7/2018	University	202	10/7/2018
Chairman of the Committee that shows the role of university in contributing and implementing the plan of national development for years 2018-2022.	University	١٩١	28/6/2018
Member of the Committee that authenticates the staffing of 2017 before sending it to Ministry of Finance.	Ministerial	Qaf/7/5/21 96	30/5/2018
Chairman of the Committee that prepares the missions, accomplishments and futuristic plans of our university.	University	135	6/5/2018
Chairman of the Committee that prepares the five-year strategic plan of our university from 2019-2023.	University	136	8/5/2018

Chairman of the Committee of competitive examination as a third party to Department of Medical Physics/ Madenat Alelem College.	University	158	21/5/2018
Chairman of the Committee of experts to correct the copybooks of competitive examination of Laser in Medicine subject.	University	164	22/5/2018
Chairman of the Committee that formulates the policy of reducing the unemployment of graduates.	University	170	27/5/2018
Chairman of the Committee of academic program that undertakes the task of completing the academic program (modules Description).	University	U/O/152	20/5/2018
Chairman of the Committee that prepares the guide of ethics of administrative work.	University	92	28/3/2018
Chairman of the preparatory Committee of the 1 st International Scientific Conference of Al-Karkh University of Science.	University	U/O/99	27/3/2018
Chairman of the Committee that visits Al-Karama factory which belongs to military industries company.	University	U/O/82	8/3/2018
Chairman of the Committee that treats lack of water	University	55	19/2/2018
Chairman of a supporting Committee that studies the initial, technical and economic feasibility.	University	٣٣	25/1/2018

Chairman of the Committee that studies the internal systems of the university.	University	30	25/1/2018
Chairman of a supremecentralCommittee that studies the preliminary, technical and economic feasibility.	University	25	22/1/2018

Member of the Scientific and preparatory Committee of fourth Specialized conference of Nanotechnology and its applications	Administrative	27/5434	06/08/2013
Member of Committee of applying cooperation mechanism with Ministry of Health	Administrative	27/7450	13/10/2010
Member of the Committee of applied the mechanism of cooperation with the Ministry of Oil	Administrative	27/7449	13/10/2013
Member of Committee of approval of devices needed in laboratories at research centers	Ministerial	9408	15/04/2009

Head of the Committee of maintenance of electronic devices for Department of Physics	Interior		2008
Head of the Committee of detection and annual inventory for fuel station of University of Baghdad	University	23885	10/10/2007
Member of preparation committee for the central celebration of graduated students of college of Science	Administrative	27/1132	26/06/1995
Member of committee of supervising the opening of laser labs of department of Physics, college of Science, University of Baghdad	Administrative	27/3974	04/01/1992
Member of Committee of setting up the mainframe computer VAX 11 / unit of Astronomy-department of physics, college of Science, University of Baghdad	Administrative	27/115	13/01/1991

Shields

Donor of the Shield

The shield of the first conference and exhibition of inventions sponsored by the holy Abbasi threshold, organized by the forum of Iraqi inventors

Shield of creativity and excellence from Head of the Iraqi National Alliance / Ammar al-Hakim

Shield of Third Scientific Conference of the Laser Institute for Postgraduate Studies, University of Baghdad

Shield from the Iraqi Inventors Forum

Shield of the 21st Scientific Specialized Conference / Mustansiriya University / College of

Education / Physics Department

Shield from Ministry of Higher Education and Scientific Research / Iraqi University /
College of Engineering

Shield of Mustansiriya University

Shield of the first scientific conference / Al-Mustafa University College

Shield of Excellence from the Institution of disabled children welfare in Iraq

Shield from the Ministry of Industry and Minerals / Industrial Research and Development
Authority / Energy and Environment Research Center

Shield of University of Al-Ferdaus / Mashhad / Iran

Shield of the Second International Conference on Geographic Information Systems and
Geospatial Technologies / Al-Nahrain Center for Strategic Studies

Shield of Sabah Al-Iraq Al-Jadeed Network / Al-Sabah Institution for Media

Shield from the voluntary team of BasmatKhair

Shield of the first annual scientific symposium on remote sensing applications/ Al-Karkh
University of Science / College of Remote Sensing and Geophysics/ Department of
Remote Sensing

First Annual Scientific Symposium on Geophysics Applications / Al-Karkh University of
Science / College of Remote Sensing and Geophysics / Department of Geophysics

Medals and Awards

Donor

Golden Medal in the 10th International Invention Fair in the Middle East.

Gold medal in the second exhibition of Iraqi Inventors Forum at University of Al-
Sulaymaniyah for the patent (wet self-heating reactor for preparation of nanoparticles).

Gold Medal from the Inventors Forum for the International Patents Exhibition in Egypt for

the patent (Multi-time missiles launcher) (automatic - standard).

Gold Medal from the Inventors Forum for the International Patents Exhibition in Egypt for the patent (Smart infractions Device for Football)

Silver Medal for participating in the first exhibition and conference of inventions in the holy city of Karbala / Sheikh Al-Kulaini league.

A prize for the best patent from the Inventors Forum for International Patents Exhibition in Egypt (Multi-time missiles launcher) (automatic - standard).

A prize for the best patent from the Inventors Forum for International Patents Exhibition in Egypt (Smart infractions Device for Football).

Silver Medal for participating in the first conference and exhibition of Inventions sponsored by the Holy Abbasi Threshold, held by the forum of Iraqi Inventors.

Conferences, Seminars and Scientific Courses

Title	Date
Participation in the Fifth International Conference of Al-Zahra, peace be upon her, which was held in Baghdad, House of Wisdom.	9/3/2022
Participation in the Second International Specialized Scientific conference for Autism Spectrum Disorder, which was held at the Central Technical University.	2/12/2021
Participation in the workshop entitled (Advanced Manufacturing Materials and Technologies for the Development of the Arab World) in Egypt.	10-11/10/2021
Participation in the electronic workshop of light-emitting diodes to combat agricultural pests, Department of Chemistry / College of Science / University of Basra.	15/9/2021

Attending the international conference as chairman of a special session on nanotechnology held in the city of Kazan - Russia.	7-10/10/2019
Attending and Participating through a research paper in TMREES19 conference, which was held in West Attica in Athens, Greece	2-15/9/2019
Participating in the workshop of electronic government of Iraq held at Al-Nahrain Center for Strategic Studies.	5/8/2019
Participation in the management training course for the German-Iraqi Academy for Management Training, which was held in Bonn, Germany.	9-13/7/2019
Attending the 17 th Scientific Geological Conference entitled (Geology is a Permanent Opportunities for Reconstruction and Prosperity) held at Oil Cultural Center/ Al-Andalos Square.	24-25/4/2019
Attending the 1 st Scientific Conference of Al-Nokhba University College entitled (Trends of Technology in Engineering and Medical Sciences).	24-25/4/2019
Attending the Scientific Workshop entitled (Creative people are the pillars of the present and the Treasure of the Future) under the patronage of Minister of Higher Education	4/4/2019
Attending the symposium entitled (Education for Sustainable Development).	23/3/2019
Attending the 4 th International Conference against the media and Ideology of ISIS.	20-21/2/2019
Attending the international conference hosted by Wasit University with the University of Newcastle entitled Civil University.	22/1/2019
Attending the Conference and Exhibition of Inventors under the slogan (The flag of my Country flies on the International podiums).	21/1/2019

Attending the 1 st international conference for the development of manpower held at Babylon Hotel.	12/12/2018
Attending the 4 th Conference of Micro techniques and their Applications.	5-6/12/2018
Attending the 1 st International annual Conference of Information and Sciences held at Fallujah University.	20-21/11/2018
Attending Tmrees 18 International Conference in Greece.	19-21/9/2018
Attending the Workshop about how to join the system of International University Ranking.	6/9/2018
Attending the solidarity festival with Yemeni People to resist evil and betrayal powers/ Islamic Resistance- Lord of Martyrs Battalions.	26/6/2018
Participation in Tmrees 18 International Conference held at University of West Attica/ Greece.	2018
Participation in the 17 th Scientific Conference (Private Education is one of the Pillars of Scientific Research to serve society) held at Oil Cultural Center.	2018
Participation in the 2 nd International Scientific Conference (Integration of Educational System between Ministry of Education and Ministry of Higher Education and Scientific Research- obstacles and prospects for success) held in Tamoozhallat Ishtar Sheraton Hotel.	2018
Participation in the 4 th International Scientific Conference for Health and Medical Specialties held at Middle Technical University/ Institute of Medical Technology.	2018
Participation in the Conference of Rational Leadership and Economical Reform held at IbnFadhlan hall educational complex/ Ministry of Higher Education and Scientific Research.	2018
Participation in the National Conference of Private University	2018

Education held at Al-Esraa College	
Participate in the Conference of International Technical Committees Invention/held in Thailand.	2018
Participation in the 1 st International Scientific Conference of Nanotechnology and Advanced Materials in Petroleum and Gas Industry held at University of Technology.	3/4/2017
Participation in the International Conference of Medical Nanotechnology(International Conference and Exhibition on Nanomedicine andDrug)in Japan.	29-31/5/2017
Participation in the 1 st Conference and Exhibition of Inventions in the Holy city of Karbala /Al-Shaikh Al-Kulaini league.	5-7/4/2017
Participationinthe International Conference for Applied Physics and Mathematics held in Tokyo.	22/1/2017
Participation in the Second International conference of GIS and Geospatial Technologies held at Al-Nahrain Center for Strategic Studies.	2016
Participation in an extended seminar for military industries foundation/ Ministry of Industry and Minerals.	10-11/10/2016
Participation in the International Conference of Nuclear, Technology and Engineering Sciences (NUSTEC).	8-10/8/2016
Participation in the 19 TH Annual Conference (Solidification the Conduct of Integrity in Valuable System of Society) held at Psychological Research Center.	25-26/5/2016
21 st Specialized Conference at Al-Mustansiriya University/College of Education/Department of Physics.	22-23/4/2016
Participationin a seminar entitled (Advantages and Disadvantages of Removing of Subsidies on Fuel) held at Al-Bayan Center for Studies and Planning.	7/5/2016

Participation in the 3 rd Scientific Conference held at Institute of Laser and postgraduate.	6/7/2015
Participation in the Conference (Information Technology is a way to facilitate Services) held at University of Technology in association with Municipality of Baghdad	9/5/2015
21 st Specialized Conference at Al-Mustansiriya University/College of Education/Department of Physics.	22-23 April 2015
Participation in the seminar of quality standards in specialized universities/University of Information Technology	14/4/2015
Participation in 5 th International Scientific Conference for Nanotechnology and Advanced Materials and Their Applications	3-4/11/2015
Participation in a seminar (Applications of Renewed Energies and Its Role on community development) held at Researches of Energy and Environment Center	18/2/2015
Participation in the 1 st Scientific conference of Ministry of Industry and Minerals.	26-27 Feb. 2014
Participation in the Conference of Nanotechnology and Medical Applications held at Eastern International College.	10/1/2014
Participation in the 4 th scientific specialized conference of Nanotechnology and its applications held at University of Baghdad/College of Science Department of physics.	31/12/2013
Participation in a seminar on stem cell project and its impact on the renewed Medicine held at Corporation of Research & Industrial Development/ Ministry of Industry.	18/12/2013
Participation in the 4 th International Conference on Nanotechnology (ICNAMA) held at University of Technology.	7/11/2013
Participation in Senior leadership seminar/ quality management systems in industrial sector held at Ministry of Industry and Minerals/Corporation of Research & Industrial	14/2/2013

Development.	
Workshop on devices applications (XRD and XRF) held at Sulaymaniyah University.	2-3/10/2013
Participation in a course on Nuclear radiation concepts and the methods of detecting it held at College of Science, University of Baghdad.	26/3/2013
Participation in the National Conference of Physics held at University of Babylon/College of Science.	Oct. 2012
Participation in Introductory and specialized Courses in international arbitration held at University of Cairo/Faculty of Economics and Political Science.	Feb. 2012
Participation in the 3 rd Scientific Conference of Nanotechnology and its applications held at University of Baghdad/College of Science/Department of Physics.	28-29/12/2011
Supervising a Course of Preparing and Presenting Television Programs /Development and Continuous Education Center	24/7-7/8/2011
Participation in the 3 rd Scientific Conference held at College of Science/ University of Baghdad.	24-26 March 2009
Participation in the International Conference on Alternative Energy (Study of Laser monitoring techniques of pollutants in atmosphere) in Libya.	Jan. 2006
Participation in the International Conference on Energy and Environment (Study of absorption laser techniques method to monitoring the pollutants in atmosphere) in Libya.	Nov. 2003
Participation in the 1 st Arab Conference for laser applications in medicine in Tripoli.	2001
Participation in the 5 th Maghreb Conference on Mechanical Studies (Surface hardening topography of SUS410 stainless	2001

steel treated by Nd- Glass laser) held at Barak Al-ShatiinLibya.	
Participation in the 2 nd International Conference on Mechanical Engineering (Surface treatment of SUS 304, SUS 201 and SUS410 stainless steel using Nd- Glass laser) in Amman/ Jordan.	1997
Participation in the 1 st Scientific Conference of College of Science/ University of Baghdad on (study of the surface of micro hardness of stainless steel treated by Nd-Glass Laser).	1997
Attending the 1 st seminar of Plasma& Laser Research on 'change the hardness of microwave Stainless Steel treated by Nd-Glass Laser"held at Ministry of Higher Education and Scientific Research/ University of Baghdad/ Plasma & Laser Research Center.	1994

The use of electric field in the preparation of gold, nanoparticles silver.	Iraqi	239/2018	43 5/1/2020
Ani scale highly sensitive to turbidity.	Iraqi	525/2018	38 5/1/2020
Optical method for remote fluid pressure measurement.	Iraqi	348/2019	449 2/2/2020
Over-performance of solar photovoltaic systems using etc.	Iraqi	706/2018	29/9/201 9
A self-control device of the bell and school electrical appliances	Iraqi	77/2019	4248/7/7 /2019
Using electrical field in preparing nanoscale gold and silverfoils	Iraqi	239/2018	3855/17/ 6/2019

Programmable Passive Optical Control for Surveillance Systems	Iraqi	45/2017	2277/28/ 6/2018
Device of Magnetization of irrigation water to improve agricultural production.	Iraqi	175/2016	3985/17/ 9/2017
Proposed new system for detecting sticky bombs using smart phones	Iraqi	122/2016	296/16/1 /2017
Preparation of light-emitting new polymers and studying their photovoltaic characteristics	Iraqi	431/2016	110/5/1/ 2017
Studying the effect of multi-frequency ultrasound on growth of Balanus Amphitrite	Iraqi	573/2016	/5/1/201 7
Low cost design for protection from Microwaves and radio frequencies emitting from mobile phone towers	Iraqi	459/2016	99/4/1/2 017
High-sensitivity hybrid organic light reagent Type Si / NipcTs: PEDOT: PSS	Iraqi	525/2016	6506/24/ 11/2016
Designing and manufacturing an ultra-spacious of energy storage using local materials	Iraqi	134/2016	5146/29/ 9/2016
New system for irradiation sequence and transmission of spectral signals via optical fiber bundle (twelve) associated with continuous injection for colored and turbid solutions.	Iraqi	400/2016	5011/25/ 9/2016

Measuring the quality of mobile camera while capturing moving objects	Iraqi	324/2015	4665/6/9 /2016
Developing a new method for estimating horizontal and vertical angles of cameras depending on the degree of magnification	Iraqi	305/2016	4332/24/ 8/2016
Manufacture of PbS / Bi ₂ Sb ₃ / P (III) -si detector with a wide range of infrared radiation within the spectral range (10.6-0.3) μm	Iraqi	337/2016	4082/11/ 8/2016
Rare manufacturing of ZnO solar cell impregnated with aluminum deposited on silicon floor by thermal evaporation	Iraqi	315/2016	4019/8/8 /2016
(MTC) detector for infrared waves	Iraqi	299/2015	4019/4/8 /2016
Using magnesium chloride solution as a substitution for MRI	Iraqi	330/2016	3913/3/8 /2016
Building a solar cell sensitive to natural pigment using carbon nanotubes and silver nanoparticles	Iraqi	39/2016	3727/27/ 7/2016
Rare manufacturing of TiO ₂ solar cell impregnated by magnesium oxide and deposited on silicon floor by pulse laser deposition method	Iraqi	364/2015	2863/12/ 6/2016
Increasing Vibration Force of	Iraqi	33/2016	1052/3/3
